Extracurricular Programme

Our Extracurricular Programme offers a wide variety of activities which students can participate in.

At **AGPS**, we are intentional in seeing the holistic growth of our students. Not only do we want our students to excel academically, but we also want them to be able to explore multiple different talents from sports, theatre and arts, technology and many more!

Our Extracurricular Programme consists of both internal (free) and private (paid) activities. To register for activities, flip over to page 4 where all instructions are detailed.
