## Extracurricular Programme

**At Enko Education**, we are intentional in seeing the holistic growth of our students. Not only do we want our students to excel academically, but we also want them to be able to explore multiple talents in the fields of sports, arts, technology and many more!

Our Extra-Curricular programme offers a wide variety of activities which students can participate in. We ensure our activities bring value to our students, helping them to grow into well-rounded individuals and supporting their university applications.
