

# Intern recruitment 2017

---

## **Internship positions available:**

- Marketing intern
- Finance intern
- Country and school launcher
- Business developer

## **Entreprise:**

Enko Education is an investor and operator focused on private education in Sub-Saharan Africa. We are building a pan-african network of primary and secondary schools offering excellent education affordable to the middle class. Our flagship model is to partner with existing reputable local schools and roll-out international programmes designed for students aspiring to study in the world's best universities. At the end of the year, we'll be established in four countries (Cameroon, Mozambique, Côte d'Ivoire and South Africa). Our aim is to roll out 50 schools in the next five years.

## **Mission:**

Enko Education's objective is to build a network of 50 schools within Sub-Saharan Africa in the next 5 years.

Interns will contribute fully to all aspects of this growth. They will be exposed to a wide variety of challenges, in the field of marketing, quality insurance, finance, project management, business development and so on. They will gain experience in company management, project management, emerging markets economies, startup world, private education.

## **Illustration of tasks:**

- Manage schools upgrades projects (obtain accreditations, source equipment, recruit teaching and support team)
- Develop a university counselling programs, to guide all Enko Education's students to the best universities according to their skills and aspiration
- Define and implement marketing strategies to recruit parents and students
- Develop training and assessment programmes for new teachers
- Write articles and design videos to promote Enko Education brand and programmes
- Improve our partnership pipeline by identifying and interacting with schools founders
- Design financial models to assess support partnership decisions
- Source suppliers to lower our equipment costs
- Define and implement management processes of schools
- Identify improvement in the overall management of schools
- Formalize methodologies to start new programmes
- Support ad-hoc analysis (benchmarks, financial models, specific research, etc.)

## **Profile:**

---

### **Enko Education**

South Africa | Reg no: 2014/110824/07 || Johannesburg | +27 11 784 0232

Cameroon | Reg no C097209 || Douala (Enko Bonanjo International School) | +237 652 56 96 13 || Yaoundé (Enko La Gaieté International School) | +237 698 15 61 76

Mozambique | Reg no: 100663449 || Maputo (Enko Nyamunda International School) | Tel : +258 843 68 14 13 | 258 845 40 91 51

Ivory Coast | Reg no : CI - ABJ - 2016 - B - 6141 || Abidjan (Enko John Wesley): +225 87 24 24 16 || (Collège Enko Riviera) | +225 87 14 14 92

More than a specific profile, we look for a fit. We are a startup: constant enthusiasm, can-do attitude, ability to adapt to the daily unexpected events are absolutely required. We look for well-rounded students, able to lead and run projects from start to end. Bilingual French - English or Portuguese / English required.

**Start date and duration**

A 6-month duration is minimum. Full-time jobs may be offered to the most successful interns.

Start date can be flexible. January preferred, but later also possible.

**Apply directly on our website**

Apply on our website (CV + short cover letter)
