

June 26, 2020

Dear Parents, Teachers, and Students,

**SUBJECT: Distance Learning – Week 13**

**June Schedule:**

The end-of-semester assessments are complete. Teachers are preparing reports. These will be sent home next week to all families with no outstanding fees or other charges. All 2019-2020 tuitions and other fees must be paid in full before reports will be issued.

**Graduation of the Class 2020**

Enko Bonanjo will celebrate the Graduation of the Class of 2020 with a virtual version of a graduation ceremony. The format will follow the usual pattern, speeches, photographs, greetings, etc. However, the contributions to the celebration will be recorded by video. The various videos will be blended into one and available for all to see on Youtube, Zoom and on Enko Bonanjo Campus Facebook page beginning at **10:00 am on Tuesday, June 30.**

It will indeed be a special ceremony. We hope all members of the school community will make a point of viewing the celebration on zoom, Youtube and Facebook.

**Summer School:**

A summer school program is planned for Enko Bonanjo in August. Classes in English, Mathematics, Science, and Art will be available to returning students and to students new to the school. Classes are planned for mornings in the first three weeks of August. Please contact the school if you want to take advantage of this opportunity. In planning for summer school, it is important that the number of students who will attend be determined as soon as possible.
