

Dear Parents, Teachers, and Students,

SUBJECT: Graduation – The Class of 2020

Enko Bonanjo will celebrate the Graduation of the Class of 2020. Due to circumstances and precautions prompted by the COVID-19 pandemic, the celebration will be somewhat different this year.

First, this week students will be invited to the school, a few at a time. Graduation photographs in graduation gowns will be taken. Graduation certificates will be presented.

Second, the school will prepare a virtual version of a graduation ceremony. The format will follow the usual pattern, speeches, photographs, greetings, etc. However, the contributions to the celebration will be recorded by video. **The graduation will be streamed live for all to see on Zoom and on our social media pages at 10:00 am on Tuesday, June 30.**

The links to view the virtual graduation will be communicated before the event.

It will indeed be a special ceremony. We hope all members of the school community will make a point of viewing the celebration on Zoom and on our social media pages.

Dr Bruce Gilbert, Head of School

Atumo Gerald, Programme Coordinator
