# ● University and Career

Enko Bonanjo Campus has graduated many students to top universities around the world..

To achieve this:

- We work in collaboration with parents to look for best fit universities
- Our students attend different university fairs all over the world through CIALFO
- They do attend an eight week webinar organized by Enko Network
- They have an array of opportunities to talk directly with university representatives
- We provide our students universities that offer scholarships for them to apply
- We guide our students through the application process and after the process
