

The uniform at Enko Waca International School includes gray bottoms (shorts, pants, or skirt) with a white polo shirt and school logo. For the winter months, you will have the opportunity to purchase a gray sweater. For all uniforms, please call and make an appointment with the school tailor. The school badge, to be placed on the white polo, can be purchased directly at the school. Black shoes should accompany the school uniform.

For sports, students are asked to purchase the school t-shirt and to wear black shorts and sneakers.
