

## Welcome (Back) Letter January 2019

Dear families,

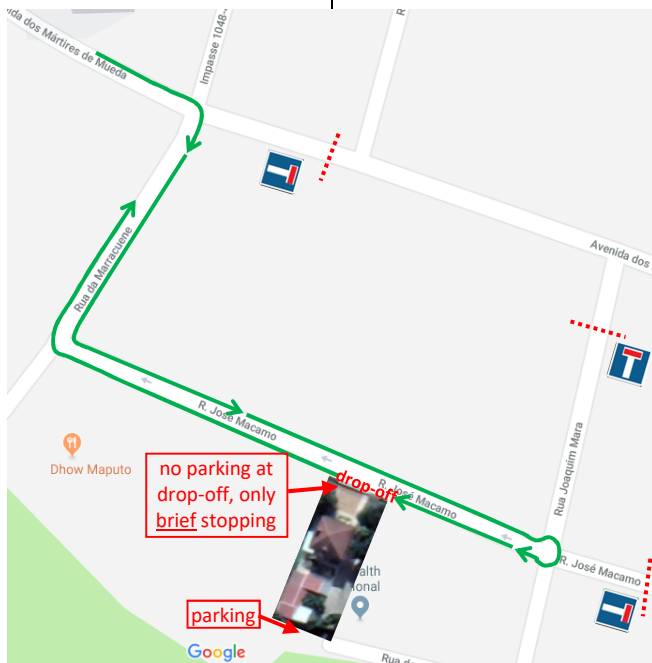

It is a great pleasure to see everyone again! Classes have started, and new students and staff are nicely settling into life at Enko Riverside International School.

On Wednesday, January 23<sup>rd</sup>, starting at 17:00, we will have our 2019

### “Welcome (Back) to School Night”

for new and returning families. Parents will be able to meet their child’s/children’s teachers, visit classrooms, ask questions, receive updates on school developments as well as information about the Ed-admin Parent Portal. Please join us!

<p>Dear parents,</p> <p><b>Traffic</b> – please help us so that drop-off and pick-up can happen smoothly. We are asking parents / drivers to <u>not turn right</u> outside the entrance. Please turn a little further down the road where there is more space. The traffic outside the school needs to keep flowing. Parking cannot be permitted in the <b>drop-off and pick-up area</b>.</p> <p>In the mornings between 7:15 - 8:00 and in the afternoon between 15:15 – 16:15 the small gate at the back will be open, where more parking is available.</p>	<p>Queridos pais,</p> <p><b>Tráfego</b> - por favor, ajude-nos a garantir que o transporte e a recolha dos alunos possam decorrer sem sobressaltos. Pedimos aos pais / condutores que não virem logo à porta da entrada. Por favor, virem um pouco mais abaixo, onde há mais espaço. O tráfego fora da escola precisa continuar fluindo. Não é permitido o estacionamento na <b>área de entrega e recolha</b> das crianças. No período de manhã, das 07h15min às 08h00min, e de tarde, entre 15h15min e 16h15min, estará aberto o pequeno portão, na parte de trás, onde há mais lugares de estacionamento disponíveis.</p>
---	---

The map shows the school entrance area with several streets: Avenida dos Mártires de Mueda, Impasse T148, Rua da Moura, Rua José Macamo, Rua Joaquim Maira, and Rua dos... A green line indicates the traffic flow, showing a loop around the school entrance. A red box with a white background and red text says "no parking at drop-off, only brief stopping" with an arrow pointing to the drop-off area. Another red box with a white background and red text says "parking" with an arrow pointing to a designated parking area. A small inset photo shows a person at a gate. The Google logo is visible at the bottom left of the map.

Lastly I would like to invite you to find us on Facebook and Instagram:
