## FREQUENTLY ASKED QUESTIONS

### What is the Student & Community Life Catalogue?

- This is a catalogue made available to students, parents and staff at Enko Botho that contains all our activity and sales offerings available to our students
- The catalogue consists of 2 sections: Activities and Sale

### What value will the Student & Community Life Catalogue bring to an Enko School?

- It allows students and parents to **know the diversity of offerings** which the school is currently making available to students
- It allows parents to **plan ahead of time** in the case where they are keen in registering their child for an offering facilitated by an external provider

### What do we do if we want to register our child for one of the activity options?

Beginning 2023, activities sign up for Paid activities will be online via our new school information system, [Eduka](#), whilst activity sign up for Non-Paid activities will be done through class teachers. This allows for a quick and easy way for students and parents to sign up for the different activity offerings being provided by the school or external providers. Parents will be responsible to sign up their child for Paid offerings, whilst students responsible to sign up for Non-Paid offerings.
